Team Leader of Commercial

Gas Natural Fenosa | 2017 - 2018

I was in charge of a small group of 5 people. My role involved training new candidates, teaching them about the product, gas and electricity rates, and services. I instructed them on the types of discounts and contracts available and how to apply them. Additionally, I guided them on measuring a customer's annual consumption and, based on that, applying the appropriate rate for each client.

- I acquired skills in: Teamwork, leadership, and commitment.
- I developed an open and proactive mindset to problem-solving.
